

PRESERVATION KITS

Family & Individual Line

As many of you already know, our main business is time capsules and the preservation of contents inside of them. Here are our "Time Capsule Preservation Kits Contents".

All items are Acid-Free & Lignin-Free, and some have additional pH buffering protection. No PVC or harmful plastics. Adhesives used, if any are pH neutral. The kits don't include sealant, because sealing methods vary.

Mr. & Mrs. Future Time Capsule w/Kit

* All Arnold kits include guidelines for preservation

ARNOLD'S DOCUMENT STORAGE KIT (11759)*

		QTY
10012-1	Sheets of Permanent Bond	10
