 - Glossy for exterior

ARTWORK GUIDELINES

To avoid additional charges for graphics work:

- All files **MUST** be in black and white color only
- NO halftones or screens
- Your File Format **MUST** be in **editable vector format** to allow for proper output.

This includes the following formats **ONLY**:

Adobe Illustrator - up to CS 3 (*.ai) *preferred*

Corel Draw - X5 or below (*.cdr)

Note: EPS files are acceptable in **vector format** only

- All **fonts** must be converted to curves or outlined.

ART REQUIREMENTS FOR CAST PLAQUES

To allow for pouring of metal into the plaque molds:

- Minimum castable letter height is 1/4" all capitals or 3/8" caps and lower case.
- Typesetting must allow at least 1/16" white space between each letter
- Line stroke in letters and artwork can be no smaller than 1/16" or 4 pts thick.

Please send artwork & questions to [**graphics@futurepkg.com**](mailto:graphics@futurepkg.com)

01/11/12

NOTE: All prices subject to change without notice.
